Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants submit herewith a statement on the substance of the telephonic interview held on October 28, 2009. Applicants thank Examiner Danielsen for the courtesies extended to Applicants' representative during the telephone interview.

During the telephone interview, Applicants' representative requested that the Examiner look over the amendments to the claims and the arguments filed on September 16, 2009. The Examiner then indicated, after looking over the amendments to the claims and the arguments, that the amendments at least appear to overcome the prior art of record and that an additional search and additional consideration would be necessary for confirmation prior to the issuance of the next Office action.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Dated: NOV 20, 2009

Respectfully submitted,
